

# NSF/SAO Latino Initiative and CfA IDEA Accessibility Fall Seminar Series

## **Re-thinking Abilities at Work**

Oct 27<sup>th</sup> 11am

<https://smithsonian.zoom.us/j/84103857144?pwd=RmczWG83a1BCb3hiUzZXNmI0NzZNQT09>

**KATHLEEN PETKAUSKOS**

**DIRECTOR, WORK WITHOUT LIMITS**

Kathleen Petkauskos, Director of UMass Chan Medical School's Work Without Limits initiative, will share her knowledge and understanding of the numerous barriers to competitive integrated employment that are faced by people with disabilities as well as the leading strategies to address these barriers and promote employment and enhanced economic well-being for people with disabilities.

**This material is based upon work supported by the National Science Foundation under Grant No. 1745460.**
